Call of Cthulhu Beige & Multicoloured, Dice Bag

We have a variety of bags prepared especially for your dice. Whether you're a fan of zombies, elves or fighting games, we have something for you!

This bag hides secrets and mysteries that many fearless ones have wanted to explore. Some have lost their senses when they touched the mysterious material. Those who have looked inside will never be able to speak again to tell anyone what they have seen. If you decide to explore the evil forces possessed by this small object, be prepared - if you cross that line, there may be no turning back....

This is a classic coloured Cthulhu dice bag, made from thick beige fine cotton and printed with a classy multicolour print. The Elder sign with the inset head of the Great Cthulhu on one side is meant to bring protection to all your actions and rolls, even if you want to be a Cthulhubuster. This bag is very secure, with two strings holding everything you put in it. Caution. Not suitable for children under 36 months.
