Product Description

Dwarven black & white, dice bag

We have a variety of bags prepared especially for your dice. Whether you're a fan of zombies, elves or fighting games, we have something for you!

The dwarves are masters of many crafts, including making the best dice bags ever. This project was coordinated with people from one of the last dwarf clans in the North. Even in Scandinavia there are only a few of them and they only work with the best. We invested a lot of time to convince them to work with us. This is an elegant black model of our dice bags from the dwarf series, with a refined white print.

This classy black dwarf dice bag is made of thick fine cotton and printed on one side. We have chosen the crest of one of the bravest units of the Dwarven army, the mighty Axe Fighters of the Black Mountains. You should be proud to wear their symbol and act like a true hero, like them. This is a very secure bag, as two strings hold everything you put inside.

Caution. Not suitable for children under 36 months.
