Product Description

Beyond the Horizon is a massive expansion for Waste Knights: Second Edition, a post-apocalyptic adventure and survival game.

Now it's time to leave the continent, board a ship and sail to places you only know from legends and myths.

Explore a new map that allows you to visit Tasmania, the Solomon Islands or New Zealand, all of which have been hit and changed by the apocalypse.

Discover the truth behind the infamous Project X as you battle deadly sea monsters and experience strange weather phenomena.

Search for fresh water - a new resource that makes the game even more realistic and challenging for both seafarers and continentals.

- Number: for 1-4 players
- Duration: approx. 45-180+ minutes depending on scenario
- Age: from 14 years
