Product Description

In Tongues Out! you have to find out which dog licked which lollipop. Luckily, they have got very colourful tongues. If you press gently on the dogs, they will stick out their tongues. Remember what colours the tongues are and try to find the right dogs for the lollipops on the cube in each round. The first person to collect six dogs in their own garden wins the game.

The funny memory game Zungen Raus! scores with cuddly dog figures in a great feel that makes every child's heart beat faster and is suitable for children from the age of four. Attention! Not suitable for children under 36 months.

- Number: 2-4 players
- Age: from 4 years
