Product Description

In Secret Identity, you have to find out the secret identities of your fellow players, while at the same time trying to make sure that your own are guessed as well. You use pictograms to represent your character as best you can, but remember that each round you take on a new identity and your pictograms dwindle. Are you able to be a skilled informant as well as a keen observer?

Caution. Not suitable for children under 36 months.

- Number: for 3-8 players
- Age: from 10 years
- Duration: 30-60 minutes
