Product Description

The forests beyond Yharnam are rarely the target of a hunt, but when the horrors that live among the trees appear in the outskirts, the hunters must dive beneath the sinister canopy and push back the tide of infection and madness. But beware. The forests are treacherous, confusing and vicious. Forbidden Forest is an expansion for Bloodborne: The Board Game and gives you two extensive campaigns in the forests beyond Yharnam. With five new enemy types and two new bosses, many demanding challenges await you. In addition, the expansion contains an exciting side chapter that you can incorporate into any campaign from the base game and other expansions.

The basic game Bloodborne: The Board Game is required to play.
