Product Description

Become commander of the forces of House Martell and fight for the Iron Throne!

The Martell Starter Set brings a total of 55 miniatures to the popular world of the epic tabletop game A Song of Ice and Fire. It comes complete with a rulebook, dice, measuring sticks, stat cards and miniatures to create a full army in the game. Included are characters such as Oberyn Martell and Ellaria Sand, as well as various other iconic units of House Martell.

The tabletop game A Song of Ice & Fire brings epic battles, political intrigue and the iconic characters from George R. R. Martin's hit novels to the gaming table. Command the armies and heroes of the great houses of Westeros in their battle for the Iron Throne in several unique game modes using detailed and pre-assembled miniatures and movement tableaux.
