Product Description

If you are ambushed on the battlefield, you can only hope that you are not dealing with the swamp devils of the Stake Tree Men. As vassals, they serve the Reet family and are very adept at moving through swampy terrain. Their light armour prevents them from sinking into their preferred terrain, while their poisoned tridents inflict an agonising death on their enemies. After an attack, the swamp devils simply retreat back into the undergrowth, leaving nothing but dead and dying.

The unit expansion A Song of Ice & Fire - Crannogmen Bog Devils brings a total of twelve miniatures to the popular world of the epic tabletop game. Also included are a unit card, three special rules cards and a movement tableau.

A Song of Ice & Fire -Stark starter set is required to play the expansion.

Caution. Not suitable for children under 3 years due to small parts which may be swallowed, choking hazard!
