Product Description

With this mini-expansion for the characterful card game Citadels, your city becomes a metropolis!

In Citadels, you compete to build the most impressive medieval city in the kingdom. This mini-expansion contains 14 unique buildings, such as the Botanical Garden, Red Dragon and Hideout, which make your city building even more varied. Whoever has the most points at the end will be crowned the next builder of the kingdom.

A Citadels basic game is required to play.

- Number: for 2-8 players
- Age: from 10 years
- Duration: 30+ minutes
