### Product Description

The GT 4 expansion includes 6 new colour plastic car models, 24 dashboards (plus 6 extra for your KS exclusive Soft Tires which will be available separately), 6 driver cards, a new coastal cube and a rule book.

GT 4s are lighter, classic cars, and while they may not have the horsepower of GT 5 and GT 6, they more than make up for it in agility!

GT 4 cars only have 4 gear cubes. However, they have 3 coast cubes instead of 2, which gives them a big advantage on tricky sections of track with limited speed.

Like GT 5, GT 4 is fully compatible with Solo mode and has been added to the score sheet.

The GT 4 expansion also includes GT 6 BoP (Balance of Performance) dashboards that allow you to race in 2 different categories simultaneously! These new dashboards slightly modify the GT 6 cars so that they can race together with the GT 4 cars on an equal footing, while retaining their unique features.

- Number: for 1-6 players
- Duration: 45-60 minutes
