Product Description

The GTS is another version of the Maserati Levante launched in 2018. It features a special styling package and a more powerful V8 engine. The luxury car impresses with its design and performance and arouses interest in the automotive market. 1:35 scale model made of COBI building blocks, manufactured under licence by the famous Italian car brand Maserati. It is an ideal product for children and adult car fans. Thanks to specially designed building blocks that faithfully reproduce the shape of the vehicle and durable, colourful prints, the vehicles created by COBI look like small works of art. The block model is ideal for display in an adult car fan's collection. Due to the solid structure and the movable wheels on special rubber tyres, it is also perfect as a toy.

- 106 high-quality elements,
- manufactured in the EU by a company with over 20 years of tradition,
- the blocks meet the safety standards for products for children,
- fully compatible with clamp blocks of other brands,
- blocks with imprint do not deform or fade during play or when exposed to temperature,
- clear and intuitive instructions based on drawings and symbols,
- issued under the original Maserati licence,
- moving wheels provide great fun with the model,
- Vehicle model: Maserati Levante GTS
