Product Description

As a large building plate with numerous magnet points, transparent base plates expand the potential of magnetic tile play – support the creation of taller towers, sturdier castles and dazzling glasshouses; inspire symbolic play as you create tables, chairs, tents and market stalls; develop fine motor skills by creating mazes and coin drops; unleash imaginations through small world play as the Clear Base Plates become an icy pond or Frozen castle.

As an open-ended quality toy, Connetix will grow WITH children as they learn and their play becomes more complex. Complement your Clear Base Plate Pack with our Clear Starter Pack and Pastel Mega Pack to take your Connetix creations to the next level.
