Product Description

Running Wild is an expansion for Zombicide: Undead or Alive that introduces mounted combat to the base game.

Six new survivors have the opportunity to explore the Wild West on foot or on horseback. There is a separate miniature for each mode. Riders are faster, stronger and good at dodging zombies, but they can't enter buildings. Be sure to protect your trusty steeds when you need to dismount!

There is also a new monster in Running Wild: the Nightmare Horse. This noble mount has been infected with the zombie plague. The zombies go completely crazy around him and become stronger than ever!

The base game Zombicide: Undead or Alive is required to play.

- Number: 1-6 players
- Age: 14+ years
- Duration: 60+ minutes
