Product Description

Eons ago, the Elves set out from the Grey Havens, crossing the western ocean of Middle-earth in beautiful white ships and often never returning. But now a storm is brewing on the horizon and something corrupt is waiting on a forgotten island of Númenor. In the campaign expansion The Lord of the Rings: The Card Game - Dream Hunters, you will sail the oceans of Middle-earth, fight corsairs on the high seas, explore unmapped ruins of Númenor and defend the Grey Havens against savage raiders. In a nine-scenario campaign - where you can also experience each scenario as a stand-alone adventure - you must confront pirates, ghosts and sea monsters, as well as a very persuasive rogue in command of a powerful fleet.

This expansion contains all the scenarios from the original Grey Fangs expansion and the Dreamhunter cycle, as well as new campaign maps.

Note: A base game of The Lord of the Rings: The Card Game is required to play.
