Product Description

For a long time, the Elves of the Grey Havens have been building majestic ships to sail with them to the West. No one knows the seas as well as they do, but even as seafarers and navigators of the Noldor, they must remain vigilant on the water at all times. The danger of a sudden heavy storm or a corsair fleet on a plundering voyage is always lurking on the horizon.

The Dream Hunters Hero Expansion for The Lord of the Rings: The Card Game contains eight heroes and all the player cards from the original Grey Havens expansion and the Dream Hunters Adventure Packs. Join familiar characters such as Círdan the Shipwright and Glorfindel on adventures through Middle-earth and defeat dangerous enemies.

With the Hero Expansion Dream Hunters, you can build new decks or redesign your existing ones and use them to take on The Lord of the Rings: The Card Game scenarios and campaigns as you see fit.

A Lord of the Rings: The Card Game base game is required to play.
