Product Description

Climate plays an important role in the equipment and training of an army. Because of the hot climate in Dorne, the Knights of Starfall of House Dayn are lighter in armour than ordinary cavalry. But what the vassals of House Martell lack in armour, they make up for in speed and agility. They attack their opponents from unexpected directions and use their lances with deadly precision.

The unit expansion A Song of Ice & Fire - Starfall Knights brings a total of four miniatures to the popular world of the epic tabletop game. Included are a standard bearer of the Knights of Starfall and three Knights of Starfall as well as a unit card and a movement tableau.

Attention: A Song of Ice & Fire - Martell starter set is required to play this expansion.

Caution: Not suitable for children under 3 years as small parts may be swallowed. Danger of suffocation!
