Product Description

All good things come in threes. After our award-winning dice games QWIXX and QWINTO, we now have the icing on the cake: Just as easy. Just as exciting. And of course no waiting. The numbers entered have to get higher and higher. And then lower again. And it is precisely this balancing act that decides everything. So that the fun doesn't end, the blocks can also be bought later. 2 pieces in a set, a total of 160 pages more QWANTUM!

- Spare blocks (2s)
