Product Description

Everyone builds a tree house together, higher and higher, step by step. And since the architect ravens' plans have to be adhered to at all costs, the whole thing gets pretty shaky pretty quickly. But it is possible - if you keep a cool head and a steady hand! Balance and fine motor skills - a great building game for children and adults!

Attention: not suitable for children under 36 months!

- Number: for 1-4 players
- Age: from 5 years
- Duration: approx. 15 minutes
