Product Description

All good things come in threes. The award-winning dice game hits Qwixx and Qwinto are now followed by the icing on the cake. Just as simple. Just as exciting. And of course no waiting. The numbers entered have to get higher and higher. And then lower again. And it is precisely this tightrope walk that decides everything. Don't be too greedy. Have a modicum of luck. And a Qwantum of consolation - for the other players! Great! AND 100% plastic-free, because the good conscience plays along!

Attention: not suitable for children under 36 months!
