Product Description

More possibilities, even more fun, lots of ingenious extra moves - that's exactly what QWIXX BONUS is! The rules of the original game have been completely retained, but the bonus fields that trigger lucrative special actions are new. If you tick the corresponding boxes, for example, missed throws suddenly no longer count as minus points, the weakest row is counted twice or you can immediately tick additional boxes. It's QWIXX. It remains QWIXX. And yet it is excitingly different. With a bit of luck, it becomes quite tactical! 2 additional blocks in the set, a total of 160 pages more Qwixx bonus!

Warning: not suitable for children under 36 months!

- Quantity: for 2-4 players
