Product Description

With Qwixx XL, everything is a bit bigger. Larger dice (18 mm) and a larger game block (A6) make everything easier. Apart from that, Qwixx XL also has everything a real classic dice game needs: simple rules, low price, great fun! And the special thing about it: there are no lengthy waiting times, everyone is always involved in the action! Everyone wants to make as many crosses as possible. Whether they succeed depends on their own decisions, but of course also on the luck of the dice. The tension mounts. Who makes a bad roll? Who will close the rows first? The Qwixx fever grips everyone!

Caution: Not suitable for children under 36 months!
