### Product Description

Dominoes is a popular classic among the laying games for two to four players. The dominoes are placed on the table with the dots facing down and shuffled. Each player draws the same number of stones. Now the drawn stones are placed alternately. Only the stones that show the same number of points may be placed next to each other. The winner is the first player to place all his or her stones.

Notsuitable for children under 3 years, as small parts may be swallowed.
