### Product Description

Go is a fascinating strategy game for two players.

Thanks to the few rules, Go is very easy to understand, but has an infinite number of variations in the course of the game.

The aim of the game is to conquer as large an area of the board as possible and to capture the opponent's pieces. Each player receives pieces of one colour and must place them on the intersections of the board during the game.

The winner is the player who has conquered the most areas and opponent's pieces.
