Product Description

The former ruler of Karak has returned - and claims his throne. The players must stop him and collect treasures again to win. So, pull out the dice! In addition to the ruler of Karak, this expansion includes four new heroes, exciting battle arenas and new kinds of enemies. The ingenious game mode lets a fellow player rise to become a powerful ruler. With the basic game and the varied game expansion, children aged 7 and up can now experience even more adventures in Karak!

Caution! Not suitable for children under 36 months.

- Number: for 2-5 players
- Age: from 7 years
