Product Description

Number Kubb is a game of skill for 2 - 8 players. Two teams compete against each other. Each team consists of at least one to a maximum of four players. The players of each team try to knock down the wooden blocks labelled with the numbers 1 - 12, also called number kubbs, with the throwing stick. The number of cubes knocked over is added up as points.

The team that scores 50 points first wins. Number Kubb is best played outdoors on a sufficiently large area of sand, stone or grass, as the playing field expands considerably in the course of the game.

Caution. Not suitable for children under 3 years due to small parts that can be swallowed! Danger of suffocation.
