### Product Description

In Ticket to Ride: Germany you build your own rail network to connect the cities indicated on your destination cards. But it is important to keep an eye on your fellow players, because they might also want to travel to the same cities. The player who was able to complete the most destination cards receives bonus points for this achievement. Get on board and discover Germany's rail network!

This new edition of Ticket to Ride: Germany from 2023 already includes the expansion Germany 1902 and brings more variety to the game with additional destination cards as well as passengers.

Attention: not suitable for children under 36 months!

- Number: for 2-5 players
- Age: from 8 years
- Duration: 30+ minutes
