Product Description

The popular city editions of Ticket to Ride are joined by the German capital Berlin.

In Ticket to Ride: Berlin, you race to the city's most famous sights to complete your destination cards. To do this, you use Berlin's trams and, for the first time, expand your route network underground with the underground trains.

Ticket to Ride: Berlin can be learned within three minutes and offers hours of fun - for beginners as well as for experienced players.

Compared to the classic version, the city editions of Ticket to Ride have a shorter playing time and a more compact format. They are therefore also ideal to take with you when you are on the move.

Attention: not suitable for children under 36 months!
