Product Description

Difference Junior is a stand-alone Difference variant for children. Four talented illustrators take you into a fun and colourful universe. You have to recognise the two differences between your card and the card in the middle of the table earlier than your opponents. Whoever recognises them the fastest gets to discard their card. To win, you have to be the first to get rid of all your cards.

This colourful version can be played with children as young as 4 years.

Attention: not suitable for children under 36 months!

- Number: for 2-6 players
- Age: from 4 years
- Duration: 20+ minutes
