## Product Description

Sparta, board game, for 1-2 players, from 14 years (DE edition).

In SPARTA! you command Athenians or Spartans in a battle for domination of the Greek world.

Gain supremacy and control valuable regions that offer you unique advantages - be it the wealth of Sicily, the fleets of Corinth or alliances with larger cities like Thebes or Syracuse that provide you with fresh recruits for battle. You could even get the Persians and Macedonians on your side.

Command the conflict!

March armies and fleets to raid enemy territories. Lay siege to valuable cities and engage in fierce battles with your opponents. Steel your nerves as you charge into battle, for it is bloody and quickly decided with an elegant map-based system.

Who will lead your efforts?

Lead your forces with legendary characters like Pericles and Kleon. Each leader has a unique ability, be it combat skill or shrewd diplomacy.

Characters can be experienced, causing the leader to change to their upgraded form with a more powerful ability.

Meet your enemies on the bloody battlefield.

Balance diplomacy, economics and military might in this card-driven game of historical conflict!

The splendour of Greece is yours!

This is the German edition of the deluxe version with miniatures and metal coins.
