Product Description

The Jaguar E-Type in 1:8 scale is a high-quality plastic model kit for discerning modellers and collectors aged 13 and over. With a part count of 272 and a length of 556 mm, width of 208 mm and height of 153 mm, this kit offers a detailed model of the legendary sports car.

Features:

- 272 parts for a faithful reproduction of the Jaguar E-Type
- scale 1:8
- Length of the model: 556 mm
- Movable doors and windows for a realistic look
- Detailed front suspension with springs
- Chromed spoked wheels and metal axle for an authentic look
- Movable bonnet and steerable front wheels for flexible presentation

The Jaguar E-Type was one of the most respected British car brands in the late 1950s and became a legend with the introduction of the E-Type in 1961. This model shone with a modern, sensational, yet elegant shape that appeared racy, provocative and at the same time distinguished. The kit offers a faithful reproduction of the engine and a detailed front suspension with springs that perfectly represent the dynamics of the car.

With movable doors, window panes, bonnet and front wheels, the Jaguar E-Type can be presented in various positions. The chrome-plated spoked wheels and the metal axle give the model an authentic look and make it a real gem in any model collection.

The Jaguar E-Type kit offers discerning modellers and collectors a special modelling experience and the opportunity to recreate a piece of British automotive history in detail.
