### Product Description

Besides funny-curious experiences and some questions about morality, the focus is especially on the interpersonal topic number 1. But beware: this is where it really gets down to business! The 200 completely new questions can be played with Privacy 1 and 2. The expansion can also be played independently as a travel game with up to 6 players. For 5-10 players. Game duration approx. 40 minutes. From 16 years.

Who would have thought it? All players would also continue playing naked, but no one would drive around a traffic sign and then simply make off! From curious to extremely delicate - during a game of Privacy - Hot as Chili you learn the most unbelievable things about your fellow players - and that without any unwanted outings, because all confessions are made in secret!

Caution. Not suitable for children under 36 months. Legal minimum age: 16 years
