Product Description

Cool accessories for even more fun! With the GO!!! Plus Pit Stop Game there are skill tasks that you can master. During the race, different pit stop tasks start randomly. Now you should drive quickly to the pit to complete the tasks. Can you push the hand controller down at the right distance to refuel the car quickly? Can you quickly repair the engine damage and change the tyres? Only when the damage has been repaired can you drive on. If your track is also connected to the app, even more exciting tasks await you. With the mini-games, a whole new racing experience awaits you on your Carrera racetrack.
