Product Description

HeroQuest: The Mirror Mage, for 2-5 players, from 14 years (EN expansion).

In the expansion "The Mirror Mage" to the HeroQuest adventure, players are challenged to face the archmage Sinestra, who holds Princess Millandriell captive. In the role of the elf or fairy, a Heroe must first pass risky individual tasks to prove their courage. He must find a legendary sword, free two of the queen's servants and traverse a treacherous labyrinth. Only then will his companions join him to pass through the mirror into the realm of reflection and free the princess. The pack contains 33 miniatures, coloured markers and a book of challenges with 10 adventures. (HeroQuest base game required. Sold separately.) The game is infinitely replayable and you can even invent your own adventures thanks to a blank map. It's great for sharing an epic night of good versus evil with friends.

Notsuitable for children under 36 months.

- Number of players: 2-5
- Age: from 14 years
- Game duration: 90 minutes
