Product Description

Cuckoo, cuckoo calls from the clock ...

You play mice who live in a cuckoo clock. Again and again, the crazy bird calls for a great treasure hunt and promises the victorious mouse family a lifetime supply of delicious berries. Ride the minute hand around the clock face and jump off in time to collect treasures. But be careful! If there are too many mice on the hand, it can happen that one is pushed off. At the end of the 5th round around the cuckoo clock, the hour of the mouse strikes. The player with the most victory points wins the game.

The Hour of the Mouse is an interactive worker rotation game with a feel-good theme and beautifully illustrated game material, where set collection meets sophisticated worker placement elements. Twirl your whiskers, sharpen your nail teeth and get ready for the royal treasure hunt!
