Product Description

It's really hot at the fair today! So hot that many children are queuing up in front of Carla Caramel's ice cream stall. Carla needs your help! Quickly hand out Carla's delicious ice cream to all the children in the queue. It would be a shame if the ice cream melts in the sun!

The children take turns rolling the dice to fill the ice cream cones. But be careful! Each flavour may only appear once per cone. Besides, it's really hot today ... if the waffles fill up quickly but the sun gets too close, the ice cream will melt ...
