Product Description

There is no greater rivalry than that between Jedi Master Obi-Wan Kenobi and Darth Vader, the Emperor's feared apprentice and enforcer. When their lightsabres cross, history is made. Both know each other's strengths and weaknesses, as Darth Vader was once Anakin Skywalker, Obi-Wan's hot-headed apprentice and child of prophecy who would bring balance to the Force.

The Duel Pack "You Cannot Escape" includes two highly detailed unpainted miniatures, a highly detailed terrain model, two command cards, two battle style cards and two unit value cards to integrate the two iconic characters Jedi Master Obi-Wan Kenobi and Darth Vader into the skirmish miniatures game Star Wars™: Shatterpoint.

The immersive terrain model can be used to display the two characters in the midst of battle when they are not in the game.

Vader's hatred for Obi-Wan is matched only by the Jedi's grief and remorse at losing a friend in the fateful encounter at the lava flows on Mustafar. Since then, Obi-Wan has tried to make amends for his mistakes. He has accepted that his friend Anakin is truly dead and sees Darth Vader as Anakin's killer, who has many other young Jedi on his conscience ...

A base game of Star Wars: Shatterpoint is required to play.

Caution. Not suitable for children under 36 months.
