Product Description

2357: In complete contrast to humanity's hopes, violent astronomical events and the uncontrolled use of new "solar extraction" technology have greatly accelerated the growth rate of our star in recent decades and it is on the verge of destruction.

In Starship Interstellar, each player is the leader of a corporation. The aim of the game is to make the biggest contribution in the race to complete the spaceship before it is too late. The corporation that takes the lead in this project will have the honour of guiding humanity to its new home.
