Product Description

Do you need allies? How much gold do you have? Discover new strategies and make the forest land even more exciting with hirelings! Best with fewer players, great with more.

This product contains six new hirelings (Daylight Expedition & Mole Craftsman, Crow Spies & Raven Guards, Furious Guardian & Stoic Protector).

Hirelings can be added to Root games at any player count. With fewer players, the hirelings add new characters to the map, increasing excitement and adding more tactical possibilities. With more players, some Minions cards are flipped over to reveal new special abilities that can be used to develop unique and powerful strategies.

A base game of Root is required to play.

Attention: not suitable for children under 36 months!

- Age: from 10 years
