Product Description

The standalone version Exploding Kittens: Good vs. Evil, based on the Netflix animated series of the same name, takes players into the ultimate competition between good and evil - and exploding kittens.

For a chance at the most powerful card in the game, the opponents trigger Armageddon and, with the help of the enclosed play mat, engage in an in-game battle via mini-game. Only one can emerge victorious from this showdown and secure the all-powerful God Cat, while the other falls victim to the cunning Satan Cat. Here, the eternal conflict between good and evil takes on truly epic proportions - in the bodies of chubby, cosy house cats.

Warning: not suitable for children under 36 months!

- Age: from 7 years
