Product Description

Sword & Sorcery - Myths from the Arena takes players into the Arena of Aegis to do battle with deadly creatures and emerge as a legendary champion.

The expansion offers three challenging game modes: "Gods of the Arena" features a campaign consisting of four side adventures spanning two acts of any Sword & Sorcery saga. "Lord of Endless Pain" includes two major adventures to test the courage of the heroes. Finally, "Battle of Heroes" introduces a completely new game mode to the world of Sword & Sorcery, here players compete in teams in a deadly battle.

The expansion is not a stand-alone game. To play, the basic game Sword & Sorcery: Immortal Souls or Sword & Sorcery: The Ancient Chronicles is required.

Warning: not suitable for children under 36 months!

- Age: from 13 years
