Product Description

Protect your tokens with just one click!

The easy way to protect and transport tokens! Save valuable space in your game box or on the game table with the Token Holder! This token box can safely store a variety of tokens, dice and even 40 double-sleeved cards, 50 single-sleeved cards or 80 unsleeved cards. The innovative, secure click closure ensures that no tokens get lost. The practical labelling strips make it easy to keep track of your tokens at all times. The Token Holder is compatible with other Gamegenic products such as the Holder Cave, the Dungeon 1100+ and the Dungeon S 550+. It is perfect for a variety of board and card games.

- Modular system: fits perfectly with Dungeon 1100+, Dungeon S 550+
- Holds up to 40 cards with double sleeve, 50 cards with single sleeve or 80 cards without sleeve
- Perfect for a wide range of board games, card games, TCGs and LCGs
- Acid free, no PVC
