## Product Description

A cyborg fights side by side with the king of the orcs against a superhero couple: In Naova, the most bizarre characters meet in competitions. The goal is to outdo the heroes of the other players in order to capture the cards played. But what surprising special abilities does the opponent have in store? At the end of the third phase at the latest, it will become clear whose tactics have worked best. But watch out: Whoever gets hold of the weak Naova gets extra victory points at the end, which often decide the game.

- Age: from 10 years
- Number: 2-6 players
