Product Description

Get ready for epic vehicle fun with the Connetix Transport Pack. Designed with vehicle lovers in mind, this pack includes a reversible grey transport base, two clear moving bases with REAL rubber wheels and a range of magnetic tile shapes to build and create endless vehicle designs. Explore STEAM learning by using magnetism, shapes and colours to build your own trucks and trains, planes and ambulances, fire engines and forklifts. Explore your imagination and bring it to life with the Connetix Transport Pack. The Connetix Transport Pack features our signature bevelled design for longer durability and clearer light refraction. Complement your Transport Pack with one of the other packs in the Connetix range to take your vehicle creations to the next level. Recommended age: 3+ (contains magnets and small parts)
