### Product Description

The Carrera EVOLUTION BMW M1 Procar slot car impresses with its front and rear lights and faithful finish. The Carrera car offers real driving fun. The BMW M1 was used in the 1986 German Racing Championship. The car is perfect for the race track, but the road version also went down in history as "Germany's fastest sports car". The starting number 76 was part of a long series of successes for the BMW M1 series, and stood out from the crowd, especially with its unusual design. Attention: not suitable for children under 36 months!
