from **100,27 EUR**

Item no.: 363952
shipping weight: 0.80 kg
Manufacturer: Carrera

Product Description

With the Carrera RC Red Bull BO105 C helicopter, pilots aged 14 and over can set off on fast-paced aerial adventures. Its high-quality technical equipment makes it easy to fly even for beginners, ensuring carefree fun in the air.

The automatic flight altitude assistant reliably prevents it from crashing, as the helicopter simply hovers on the spot and waits for further instructions from its pilot. The innovative single blade rotor with 4 blades is modelled on the original. With the auto-start and landing function, these complicated manoeuvres become child's play! The exciting flights last up to 15 minutes before the included Li-Po battery needs to be recharged.

Caution! Not suitable for children under 36 months. Legal minimum age: 14
