Product Description

The Carrera Racetruck Conventional "Carrera Race Taxi" shows at any time how much power can be contained in a truck. In an elephant race on the home racetrack, the white and red speedster is guaranteed to be the right option. The truck with its rounded cab and large rear spoiler promises in its design what it proves on the race track: The truck is a unique, powerful vehicle.

On the race track, the Race Truck Conventional "Carrera Race Taxi" shows everyone who can best handle the truck's massive horsepower. On the digital Carrera car racetrack, the chic truck impresses with high speeds and realistic construction. The Race Truck Conventional is available in the perfect 1:32 scale and comes with fully functional front lights. It can also be individually coded and digitally controlled, making it fully customisable to personal driving skills.
