Product Description

Similo: Harry Potter - Card Game, for 2 and more players (DE Edition)

Find the secret character! What does Harry Potter have to do with Neville Longbottom or Draco Malfoy? Are they all boys, or are there other similarities? And why does he have nothing in common with Bellatrix Lestrange, but something in common with Ginny Weasley?

In Similo: Harry Potter, the aim is to find a very specific character as a team. Only one player knows which of the characters on the table is the one they are looking for. He always places a card as a clue to similarities or differences. The guessers gradually eliminate one of the characters until - hopefully - only the secret character is left at the end.

Ron Weasley or Hagrid, you'll find out in Similo - Harry Potter! For more challenge you can combine two different Similo sets!

Caution. Not suitable for children under 36 months!

- Age: from 7 years
- Number of players: 2+
- Game duration: 10 minutes
- Game material: 1 game rule, 39 cards
