Product Description

Similo is about finding a very specific character as a team. Only one player knows which of the characters on the table is the one they are looking for. He always places a card as a clue to similarities or differences. The guessers gradually eliminate a character until - hopefully - only the secret character is left at the end.

You have 5 rounds to find the character you are looking for. If you eliminate him, you all lose! The clue-giver must not say anything... Will you be able to interpret his clues?

Warning: not suitable for children under 36 months!

- Age: from 7 years
- Number: from 2 players
- Duration: 10 minutes
