### Product Description

Prove you have the courage to leave gaps! Because whoever leaves the biggest gap in this game wins. Quick to learn and quick to play, GAP is suitable both for a short break and for a cosy evening.

You play several rounds in one game. In each round, you take turns playing cards in front of you to secure matching cards from the middle and lay them out in front of you. At the end of a round, your score is the number of colour cards you have collected the most, minus the number of colour cards you have collected the least. You collect points over several rounds until someone has exceeded the total number of points. This ends the game.

Caution: Not suitable for children under 36 months.

- Number: for 2-6 players
- Age: from 7 years
- Duration: 10 minutes
