Product Description

Cluedo Conspiracy is all about secret identities and conspiracies! As guests of the Viper Resort, you discover that someone is trying to kill the manager, Mr. Coral. A series of deadly traps have been set at the resort and someone is armed! Now it's up to you to unravel the ultimate mystery: Who can be trusted? You take on the roles of Cluedo characters and assume secret identities in teams: Friends vs. Conspirators. The friends try to keep Coral safe and find out WHO the conspirators are and WHERE and WHAT the plot was. The conspirators secretly try to deceive the friends and carry out the murder at a certain place with a certain weapon. Both teams find evidence in the process and talk about it - or not! Which side will succeed? This exciting game for 4-10 players is a great group game for ages 14 and up. As a gift for fans of detective stories, secret roles and the classic Cluedo. Cluedo and Hasbro and all associated properties are trademarks of Hasbro.

Notsuitable for children under 36 months.
